

CORE EDGE by CREATU

Sufficiently strong for lawn mowers and light vehicles

The CORE Edge powered by ECCO guards are made of 1.6mm mild steel.

Info

- ✓ Our black (RAL 9005) coloured edgings have a further 110-micron UV resistant polyester powder coating preventing colour fade, forming a durable scratch resistant barrier guaranteeing a 20yr plus product life.
- ✓ The anchoring pins contain a unique fold in the middle, strengthening the ground anchor and making the border ideal for use in heavier soil.
