

## Info

- ✓ Perfect for new and existing concrete curbs
- ✓ **Long lifespan**
- ✓ **Low maintenance**
- ✓ **Aesthetic finish**
- ✓ Self-locking
- ✓ Protects and finishes new or existing concrete edging stone
- ✓ Levels out any height differences between the concrete curbs
- ✓ **High quality** product made from **corten steel**
- ✓ **Cor-Ten forms** a stable rust-like appearance when exposed to the elements. In simple terms, the steel is allowed to rust and **this oxidised layer forms a protective coating** that dramatically slows the rate of future corrosion.
